Getting Started

The first thing you will need to do is organize your team for the race. Your team should consist of 1-9 runners and a driver. If the driver will also be a runner, please plan accordingly for proper and safe exchanges.

Each team will need to have a team captain that will be responsible for organizing and planning the relay. This person will be in charge of organizing the team, communicating with the race director, communicating race information updates to their team members, and [registering](#) the team.

Runners should be able to walk/run a 14 minute mile in order for the team to complete the race in the allotted time frame.

Additional Team Information

Team Divisions: Ultra and Regular

Team Name: Each team will need a team name to identify their team. When choosing a name, please remember this is a very important event that commemorates a very important time in history. Please choose an appropriate name that will respect this event and the communities that will take part in this special day.

Team Numbers: Each team will be assigned a race number. Team race numbers must be visible on all runners and on the team vehicle.

Estimated Pace Times: Each team will need to submit an accurate team pace during registration. To calculate an average team pace, add each individual team member's minutes per mile, then divide by the total number of team members. Individual team members may be asked to submit their own minutes per mile during registration.

Waivers: All team members **must** agree to the online waiver at registration in order to participate. Team Captains are responsible for making sure each team member completes registration and agrees to the online waiver.

Age Restriction: Each member of the team must be 18 or older to register and agree to the online waiver. Runners 13-17 **must** be registered by a parent or legal guardian. The parent or legal guardian **must** agree to the online waiver.

No one 12 years or younger will be allowed to participate in the relay.

Substitutions: Runners can be changed (substituted and/or added) online until Saturday, March 16, 2019. Any substitutes or new runners **must** register through [Run Sign Up](#) and **must** agree to the online waiver. *(Shirts will not be guaranteed for any changes or substitutions after Sunday, March 3rd, 2019.)*

Timing Chip: Runners will exchange a bracelet which includes the timing chip for the team. Runners **must** wear their team's bracelet in order to be on the course.

Decorations: Teams may choose to dress alike and/or decorate their team's vehicle. Please make sure that attire and decorations are not offensive to other teams and the community.

Ultra Teams

Ultra Teams are teams with 1-4 runners. Ultra teams must abide by all of the rules stated for regular teams.

Cyclists

Cyclists will abide by all rules and deadlines as Regular and Ultra teams.

It is the cyclists' responsibility to provide transportation for themselves and their bike to the start point.

Cyclists will have the option to be transported to the start point on race day. *Please see Cyclists Registration below for more information.*

Start and Completion Times

Cyclists start time: 6:30 am

Cyclists completion time: 6:30 pm

Runners will start immediately after cyclists and will have a 12 hour completion time from the start time.

Start times for cyclists and relay teams **may** be staggered depending on race needs. If the start time is staggered, cyclists and relay teams will have 12 hours to complete the race from their start time. If the start times are staggered, cyclists and relay teams will be notified by email and at package pickup the group or wave they will be starting in on race day. Cyclists and team start times will depend on their average pace.

The start location will be the Brown Chapel AME Church located at 410 Martin Luther King St, Selma, AL 36703.

Exchange Points/Legs

Exchange Points are the designated areas where one runner will complete their mileage and another runner will begin their mileage. The team's bracelet will be exchanged at these points. There are a total of eight (8) designated exchange points. These exchange points are local businesses and churches. Exchanges will only take place at the designated exchange points. All exchange points will be located on the right side of the road except for St. Judes. It will be located on the left side of the road. The exchange points are listed below.

Exchange Point	Location
1	Craig Aviation Maintenance Facility
2	Tyler Volunteer Fire Station
3	Site Office and Visitor Center
4	Wright Small Chapel
5	Canaan Hill Baptist Church
6	Burkville Church United Methodist
7	Advanced Auto
8	St. Judes

The legs are the mileage each runner will run. There are a total of nine (9) legs. If your team has less than nine (9) runners, it should be decided how the runners will complete the legs.

Legs must be completed by one runner. A leg cannot be split between runners. The same runner must start a leg at the designated exchange point and continue to run that leg until the next exchange point.

The same runner may run multiple legs. For example, runner 1 may run legs 1 and 5, but they must complete both legs.

Leg numbers and mileage are listed below.

Leg Number	Mileage
1	4.7
2	6.8
3	8.6
*4	6.5
*5	5.4
6	5.1
7	6.2
8	4.5
9	3.0

**Please be aware that Legs 4 and 5 are highly elevated.*

Rules of the Road

This is a relay where we will be sharing the road with normal traffic. In order to ensure a safe race, we require all teams to follow all rules and laws of the road.

- **Vehicles**

- ❖ Teams are only allowed one (1) race vehicle.
- ❖ Team vehicles may be a regular car (ultra teams of 1-4 members), van, or suv. No buses, trailers, campers, RV's, etc. are allowed on the course.
- ❖ All headlights and tail lights must work properly on each team's vehicle.
- ❖ Vehicles should be driven cautiously and the headlights should be on at all times.
- ❖ The team's race number should be visible on the back rear window of the race vehicle.
- ❖ Vehicles should turn on their hazard lights when pulling off of the road for drop offs and pickups.
- ❖ Drivers should obey all laws of the road.
- ❖ Do not stop in the middle of the road. Always pull over at the correct exchange location.

- **Drop Offs/Pickups**

- ❖ Drop offs and pickups should be brief.
- ❖ Runners should be cautious of other vehicles and other runners when exiting and entering the vehicle.

- **Parking**

- ❖ Parking may be limited at some exchange points. In some cases, team vehicles may have to park along the shoulder. In this case, team vehicles should not park on the same side of the road within 300 feet before or after a designated exchange point. After the exchange point, vehicles may park at any legal roadside that does not impede racers or traffic. When parking along side of the road, please be sure to stay to the right of the white fog-line.

- **Runners**

- ❖ Runners should be aware of their surroundings at all times.
- ❖ We **do not** recommend runners to wear headphones during this race.
- ❖ We **do** recommend all runners to carry a cell phone or have a communication plan in place with their team members.
- ❖ Runners must stay in the right lane at all times.
- ❖ Runners of legs 1 and 9 must wear a reflective vest. We recommend all runners wear a reflective vest while on the course.

- **Injured Runners During the Race**

- ❖ If a runner is injured while running his/her leg, the runner or team captain should contact EMT services and the nearest race official. Contact information will be provided to team captains at a later date and in the race package at package pickup.
- ❖ Teams should keep track of all injuries and times.

- ❖ If a runner cannot complete their leg due to a serious injury, another member of the team may complete the leg. (Teams may not add any additional team members during the race.)
- **Team Race Numbers**
 - ❖ Team race numbers and bibs must be visible on the runner at all times.
 - ❖ Race numbers and bibs should be worn in the front and on the outermost garment.
 - ❖ Team race numbers should be visible on the back window of the team's vehicle.
- **Cyclists**
 - ❖ Cyclists should be aware of their surroundings at all times.
 - ❖ Cyclists **must** stay in the right lane at all times.
 - ❖ We **do not** recommend cyclists to wear headphones during this race.
 - ❖ We **do** recommend all cyclists to carry a cell phone or have a communication plan in place.
 - ❖ We recommend cyclists to wear proper reflective gear and have a head lamp for the first 8-10 miles of the race.
- **Injured Cyclists During the Race**
 - ❖ If a cyclist is injured on the course, he/she should contact EMT services and the nearest race official. Contact information will be provided at a later date and in the race package at package pickup.
- **Respect Local Residents and Communities**

While traveling through the communities, please be mindful of private residences and local businesses. Teams must adhere to the following:

- ❖ Do not make excessive noise, such as honking or yelling, during early morning or late night hours.
- ❖ Do not block any residential or business driveways.
- ❖ Do not impede traffic by driving too slowly or not pulling over properly.
- ❖ Do not decorate race vehicle with offensive language or any other obscenities.
- ❖ Do not litter, urinate, or defecate on private or public property. Restrooms and trash cans will be provided at each exchange point for your convenience.
- **Alcohol**
 - ❖ Alcohol is **not permitted** by any member of any team while participating in this race!
- **Prohibited Items**

Items that are prohibited on the race course include, but are not limited to the following: unauthorized bicycles, skates, roller blades, skateboards, any type of motorized item, baby joggers or strollers, dogs or other animals, and any other device that may endanger others or put one runner at an advantage over another runner.

- **Weather**

The race will occur in rain or shine. However, In the event of severe weather where the safety of the runners is put in jeopardy, Walk Jog Run Club, LLC has the right to hold, postpone, or cancel the race. Refunds will not be given if the race is canceled due to severe weather. Conditions that may cause a race to be canceled include, but are not limited to the following: severe heat, electrical storm, snowfall, tornadoes, earthquakes, hurricanes, floods, fog, etc.

If the race has started and inclement weather occurs, teams should take every precaution to insure the safety of all team members. Teams should make accurate notes of locations, loss of time, and in some cases the speed at which the vehicle traveled due to extreme weather conditions or any other extreme circumstances. This will allow times to be adjusted at the end of the race. Only teams that have taken accurate notes will be given official times.

Flooding: If a runner encounters a flooded area that is hard to cross, he or she should be picked up and driven ahead to where the road is no longer flooded. The team should take accurate notes as to the time, location, the distance driven, and the speed of the vehicle.

Lightning: If at any time a runner sees lightning, he or she should be picked up immediately. The team should make note of the time that the runner was picked up and the exact location. If the lightning clears within the hour, the runner may return to the same location where he or she left the course. The team must make note of the time the runner left and returned to the course. If lightning persists longer than an hour, contact the nearest race official for further instructions.

Wildlife: If a runner encounters any type of wildlife that may pose a threat to his or her safety, the runner should be picked up immediately and dropped off at a safe reasonable distance ahead of the threat so that the runner may continue his or her leg. The team should make an accurate note of the time the incident occurred, the mileage the team vehicle drove ahead, and the speed the vehicle drove.

Rules and Safety Enforcement

Walk Jog Run Club will strictly enforce all rules. Citations will be given to runners/teams that are found in violation of any rules. Violations received by individual runners count as a team violation. If a team receives more than three (3) violations, that team may be disqualified by a Course Official.

A Course Official may disqualify a team without warning for what is deemed a serious violation of the rules.

Reporting

We are asking everyone to help make this a safe and fun race. Although every effort will be made to monitor this race, we need your eyes and ears to help keep the course safe. Please report any safety issue immediately. This includes reporting any teams or runners that are violating any of the rules. A rule violation may be reported to any volunteer, race official, or course official.

Emergency Situations

In the event of a medical emergency, notify the nearest race official so that they can notify the nearest medical personnel. Care Ambulance will have multiple units on site to assume patient care and if required, transport to the nearest emergency department. Care Ambulance personnel will be on scene for the duration of the event to assess and treat patients who do not need attention at a hospital. After the patient is assessed and/or treated by a Care Ambulance staff, the patient will make a decision to be transported to an ER of their choice or sign a transport refusal document. The patient has the right to refuse treatment and/or transport from Care Ambulance in all cases except when the patient is not mentally capable of making their own decisions. At this point, Medical Direction will be contacted for further instruction.

Runners should plan ahead in the event of any medical emergency. It is the team's responsibility to be aware of nearby hospitals and other nearby medical facilities.
